

# FRACTIONS CAN BE MUSICAL

Water glasses with different levels of water make lovely music.

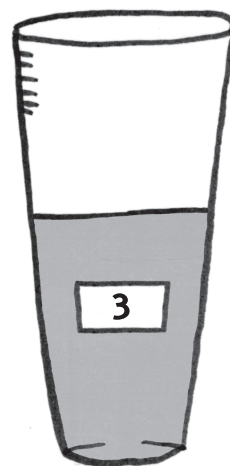

POUR  $1\frac{3}{4}$  CUPS OF WATER INTO  
THE GLASS LABELED 1

POUR  $1\frac{1}{2}$  CUPS OF WATER INTO  
THE GLASS LABELED 2

AND POUR  $1\frac{1}{4}$  CUPS OF WATER  
INTO THE GLASS LABELED 3

To play "Mary Had a Little Lamb," softly tap  
the glasses with a plastic spoon in this order:

3-2-1-2-3-3-3

2-2-2

3-3-3

3-2-1-2-3-3-3

3-2-2-3-2-1

Experiment with different water  
levels and sounds. See what  
other songs  
you can play!
